SUBJECT: WB/G SITREP: SENIOR PA OFFICIAL ASSAULTED IN WEST
BANK: JULY 12, 2005 (1900 HOURS LOCAL)

This is a joint Embassy/ConGen cable.

¶1. (SBU) Summary: A senior official from the Palestinian Authority (PA) Ministry of the Interior (MOI) on July 12 sustained injuries from an attack by unknown assailants as he traveled from Jerusalem to Ramallah. The MOI official was later hospitalized, but is expected to recover from his injuries. In Shave Shomron settlement, near Tulkarm, on July 12, a would-be suicide bomber detonated a car load of explosives at the settlement's entrance gate, but only the bomber was injured in the blast. Elsewhere in the West Bank, the IDF on July 11 arrested three Palestinians during an operation in Hebron. In the Gaza Strip, one Israeli citizen was lightly injured when an IDF bulldozer and civilians were attacked July 11 with small arms fire and two hand grenades north of the Rafah crossing. Two IDF soldiers were lightly wounded on July 12 when an explosive device detonated near their jeep on patrol near Nezer Hazani. In addition, there were reported incidents of rocket and mortar fire at Israeli targets, but no reported injuries. End summary.

Gaza

¶5. (SBU) ATTACKS:

-- Deaths: Nil.

-- Injuries/Shootings: According to the IDF, one Israeli citizen was lightly injured when an IDF bulldozer and civilians were attacked July 11 with small arms fire and two hand grenades north of the Rafah crossing. UNRWA reported that the attack involved an RPG (instead of hand grenades) and that the IDF returned fire into the Al Shouka area.

-- Injuries/Explosive Devices: IDF radio reported that two soldiers were lightly wounded on July 12 when an explosive device detonated near their jeep on patrol near Nezer Hazani. UNRWA reported that the explosion was caused by an RPG and that the IDF closed the Gush Qatif checkpoint separating northern and southern Gaza in response.

-- Injuries/Explosive Devices: The Voice of Palestine reported July 12 that a Palestinian in Rafah was injured while preparing an explosive device in his house.

-- Shootings: In addition to the shooting listed under "injuries," the IDF reported three other shooting incidents: shots fired on July 11 at an IDF outpost located one kilometer east of Netzarim; shots fired at an IDF APC located 1.5 kilometers south of the Sufa crossing; and shots fired at an IDF outpost south of Rafah. UNRWA reported that the IDF responded to the latter attack with fire into the Al Barahma area and Block J. There were no reported injuries in these three incidents.

-- Explosive Devices: The IDF said that Palestinian police located and disarmed an explosive device located approximately three kilometers southeast of the Sufa crossing.

-- Mortars: The IDF reported that on July 11, mortar shells were fired at civilians and IDF forces in two locations. One shell was launched at an IDF outpost located 50 meters from Netzarim (confirmed by UNRWA), while four shells were launched in the vicinity of Neve Dekalim. UNRWA said the latter attack consisted of three rounds, adding that the Abu Rish Brigades claimed responsibility. No injuries were reported in either incident.

-- Explosion: UNRWA reported that the IDF had identified and detonated an explosive device on July 11 near Nezanit.

-- Rockets: According to UNRWA, Palestinians fired two homemade rockets at IDF troops on July 11 near the Sofa crossing. The military wing of Fatah reportedly claimed responsibility.

-- Rockets: UNRWA reported that Palestinians fired three homemade rockets on July 11 at Neve Dekalim.

-- Protest: UNRWA reported that 200 disabled Palestinians protested on July 12 in front of the PLC building in Gaza City. The demonstrators allegedly damaged two PA automobiles on the compound before PA police arrived to calm the situation.
